

REMARKS

This preliminary amendment is being submitted as part of a national-phase entry in the US under 35 U.S.C. § 371(c).

The specification has been amended to correspond to the specification as amended in the international phase. No new matter has been added.

A new Abstract has been added.

The claims have been amended to remove multiple dependencies consistent with standard US practice. The starting point for these amendments was the set of claims pending after amendment in the international phase. A copy of those amended claims is included with this submission. Claims 1-35 as further amended herein are presented for examination.

If the enclosed papers or fees are considered incomplete, the Patent Office is respectfully requested to contact the undersigned collect at (508) 616-2900, in Westborough, Massachusetts.

Respectfully submitted,

James F. Thompson, Esq.
